**Teaching, Equipping  
Accountable Men  
A Synergy of 6 Men’s  
Groups**

We are on a spiritual journey in the context of a community of men.

The Synergy starts at the coffee time we spend before our Bible Study which is in a large group. We are studying the book of John, led by various men on a volunteer basis. We offer the use of Warren Wiersbe’s study guide for lesson preparation for those that lead a lesson if they want. Then we break into our small groups of four or more men per group; we call this the Accountability & Prayer time. This is an intimate period for praying with and for each other. This is patterned after the discipleship format of Jesus when he has a group of twelve and then an inner circle of four.

We always have an “open chair” so please consider checking us out and joining the TEAM, that together we experience the Presence, the Power and the Purpose of Jesus in our lives.
